SO MUCH MORE!

Valerie Morrison Streeter, a local girl raised in Grimshaw opens new store in Berwyn. After a few years away she bought a home in Berwyn 5 years ago, and recently decided to start a new business venture. "I Love the quite friendly atmosphere here" She said.

Links 2 More Ltd started when Links Ammo Supply Inc wanted a store front on this side of the river, and it only grew from there! "With my love of baking and a plan to offer as much variety as possible, Links 2 More Ltd grew to offer remanufactured ammo, small business bookkeeping, a coffee corner with homemade treats, commission sales from local designers, and retail items geared towards the outdoors. (ex-fishing & hunting)". Streeter added.

Links 2 More Ltd opened it's doors on May 14th, 2019. The store is located at 5016, 51st, on main street Berwyn.

Since opening in May, the store has slowly gained in popularity. "Our veteran owned & operated Black Rifle Coffee Company has become know as the best coffee in town!" Valerie expressed. "With each PAL Training we are becoming more popular throughout the

Peace Country, with hopes of offering a youth training soon. Our homemade treats are growing so fast that I do more baking now, especially since word got out that we cater as well!" She continued. The Links 2 More kitchen is also looking to expand its menu in the fall. The small business bookkeeping is steadily growing too! The commission sales started with clothing from Gecko Rose Boutique, and has grown to include local wood working, furniture, barnwood frames, & Pink Lotus alternative care products with more interest coming in regularly.

Links 2 More would like to thank all of their supporters! Follow them on Facebook to see new product and weekly specials!

The Friends of Autumn Lodge would like to thank everyone who has assisted with the construction of the Autumn Lodge Commemorative Park located beside the Berwyn Elks Community Centre. Special thanks to the M.D. of Peace #135, Berwyn Agricultural Society, Berwyn Golden Age Club, Christ Church Anglican, Dave Lilienskold

and Doug Downs for their monetary donations.

Hats off to the many volunteers who have generously provided equipment, material & labor to build this park including Grimshaw Gravel Sales, Syndicate Oilfield Services (Paul McKen), Becky & Dan Schaub, Trudy & Martin Leitch, Bill Case, Joe Webber, Neil Sandboe, Norman Allen & Roy Higginson. Thanks also to Twyla & Bonnie at ATB for accepting donations on our behalf.

We are happy to say that the park is nearing completion with the installation of the sidewalk, planters, flowers & lilac bushes. The concrete benches will be arriving before the end of July, with an official opening ceremony scheduled sometime before the end of summer.

- this permit is approved for the attached pictured vehicle and is not transferrable to additional operators or off highway vehicles.

A person may operate an off-highway vehicle or all-terrain vehicle in a public place or on a Highway within the Village limits for the sole purpose of clearing snow from private lanes and driveways.
