We have had ongoing problems with our water meters. A large number of them are not working properly, so many of our customers have not been billed for water consumption. As an interim measure, **Council has passed a bylaw putting in place a \$10.00 charge for every account with non-working meters.** This replaces the consumption charge of \$2.00 a cubic metre. This charge will first appear on the utility invoices mailed at the end of July.

Staff are working on getting this problem resolved.

Property taxes are due by September 15th, 2020.

Village of Berwyn Council made a resolution at the June 11th, 2020 council meeting to have a **contest for tax payers.** If you pay your **taxes in full by August 15th, 2020**, you will be entered into a draw to win 1 month of free municipal utilities (water & sewer) up to \$60.00.
