Siblings welcome

Congratulations to the residents of Berwyn and the surrounding area who were among the first group to graduate from Northwestern Polytechnic on March 12th. As the college undergoes changes, we welcome their leadership around skilled trades training. The trades are vital to our economy, & we wish each of the graduates every success in their future.

From the Village Office

With Spring fast approaching, it is the season during which the natural world revives and reinvigorates after the colder winter months. **The Village of Berwyn is also looking to revive and reinvigorate itself.**

At the latest council meeting, **Village Council made the bold decision to approve new incentives aimed at reviving and reinvigorating the village.** How are we going to do that? The Village is now offering three new incentives, they include a 50% rebate on the cost of exterior home renovations up to a max of \$2500 to be applied to property taxes. Secondly, the Village council approved a new build property tax incentive, with year 1 receiving a 75% reduction, year 2 a 50% reduction, and year 3 a 25% property tax reduction. Finally, the village council approved a new resident grant of \$500 towards either property taxes or utilities. More information on all these grants can be found on our website or by visiting the town office.

Next Council meetings are scheduled for April 28th & May 12th @ 7pm
If you would like to attend please contact our CAO Matthew at 780-338-3922
